

SLIDING FEE SCHEDULE

Maximum Annual Income Amounts for each Sliding Fee Percentage Category (except for 0 percent discount)

To determine the percentage:

1. Find the family size – The client, plus the number of people financially dependent on the client, living in the household.
2. Follow the line over to gross monthly income (the total before taxes or deductions). Each cell includes incomes up to the percentage indicated.
3. Follow the column down to the bottom section. This tells what percentage of the actual cost of care the client will be asked to pay.
